

Norfolk Rural Cottages

A meal waiting for you

Fancy a meal ready to cook on your arrival....

The owner of Canfers Barn is Prue Leith trained... although I no longer cook professionally, (I have three sons who keep me too busy now!) in the past I cooked for many people – dinner parties, shooting lunches, freezer food, drinks parties, birthday cakes etc – including cooking for Prince William.

My aim is to leave you a very tasty meal in the fridge – ready for you to heat through in the oven. Vegetables will all be fresh and prepared and ready to cook. Puddings too + custard or cream – depending on the pudding you choose. I can also leave Victoria Sponge Cakes – delicious – not too much sponge and real butter icing in the middle and on top! Or Millionaire's Shortbread or Mars Bar Crispy Cake or a very, very good Carrot Cake if you feel the need to pretend to be healthy!

Cost – depends on what you choose – but is generally about £12 per head for a two course meal. Cakes start at £5 per cake.

All food is freshly prepared and sourced locally in Norfolk. It is left ready to cook in foil dishes where possible – for minimal washing up! Listed below are suggestions....
